

# Module 2A

## Choosing the Right Area for Wholesaling

# How to Choose the Right Area

## Wholesaling

- Are investors buying in this area?
- Cash Sales (Close to 20% or better)
- Who are the investors?
  - Rehabbers
  - Landlords
  - Investors (ROI)

# What do Buyers want?

---

Investor/Buyer

Single family

---

Not too big or too small

---

Repairs needed

---

Low to middle income areas

# How to Choose the Right Area

- Tools to Use:
  1. MLS
  2. Redfin
  3. Zillow (but don't use Zestimate)
- Look at sale activity in the last 6 months
- Look at DOM (Days on the Market)
- Be careful about distressed areas  
(high sales but highly discounted)
